# Mordialloc CC President's Report 2021/22

Well season 2021/22 has concluded and as per usual Mordialloc CC has acquitted itself fantastically with 4 of the 5 senior sides making finals with the 5ths claiming a premiership.

In another Covid affected season we have once again been able to complete our season, albeit with a couple of hiccups and hopefully we can go into 2022/23 as back to normal as possible.

With the uncertainty of whether we were going to have a season, how long it would go for, when it would start, would we have to stop after starting, what restrictions would be involved, it certainly made planning for the season virtually impossible given the amount of uncertainty both on and off the field with the rules continually changing.

A massive thank you goes to our Covid Officer, Rachel Morris who once again did an amazing job in the weeks preceding the start of the season, learning a huge amount of protocols and what was involved with all aspects of training, playing and off field aspects.

After last year's 1sts premiership and promotion back to Championship division, we had some on field departures of Brendan Morris, Damith Mapa, Liam Bence and Finn Callaghan. Some new recruits in Chamindu Mathra and AK Tyrone, the appointment of new coach Tim Woodruff and the appointment of club legend Nick Connellan as 1sts captain. I must admit there was a bit of uncertainty and apprehension of what was going to transpire over the upcoming season. For the 1sts to ultimately lose a prelim final to eventual premiers and far more cashed up South Caulfield, was an outstanding result.

Congratulations go to Tim Woodruff who has been reappointed for the 2022/23 season and hopefully with no restrictions or lockdowns, Tim will be able to implement a full pre-season and all players and MCC will reap the benefits.

Thank you and well done to Nick Connellan who whilst playing with injury was able to lead the 1sts to the finals. With a great win versus Bentleigh in the semi final they unfortunately came up against a very strong opponent and eventual premier in South Caulfield.

Thank you to club champion Tim Richardson who led the 2nds this season to the finals and was unfortunately cruelled by weather in the semi final. The 2nds played some seriously good cricket in games and chased 200 to win a couple of times with some MCC future stars in Liam Bowles, Kai Day and Flynn McKenzie playing key roles in these victories.

Thanks also to Scotty Heenan for captaining the 3rds. It was a frustrating start to the season with washouts, forfeits and Covid. It is a testament to your resolve and a mixture of some senior experience and some MCC future stars that you were to ultimately lose a narrow hard fought grand final. A great effort that has unearthed some great talent and something to be proud of.

Thanks and well done to Dale Bowles on captaining the 4ths. Once again Dale was outstanding with leadership in a side that was hit the most by Covid absentees in the higher grades and saw a few players start the season in the 4ths only to be promoted to the 3rds and play in a grand final.

Well done to Jimmy Baird for captaining the 5ths and being undefeated and claiming the premiership.

This year the club was again asked to host the SECA U18's in the New Year period and the feedback from SECA officials, players, coaching staff, parents and spectators was extremely positive to both facilities and ground. We have been asked to host again next season. Thank you to Jamie Frencham and Aaron Martello who gave up time on their Xmas break again to help create a fantastic environment.

Once again MCC continued its long time support of the Jane McGrath Foundation with its Pink Stumps activities and I am proud to say that last season's total of \$7741 will be surpassed taking the total donated over the last 13 years to nearly \$40,000. An amazing result.

I must say a massive thank you to all the committee members for doing your various roles fantastically given the uniqueness of the season and I can't thank you enough for your time and efforts.

This season Covid has had more of a financial impact than last season with numerous functions unfortunately having to be cancelled and some Thursday night dinners being cancelled, all of this costs us financially. But the health of our members, supporters and their families was far more important than the dollars.

A massive thank you to the executive committee - Rachel Morris, Jaco Vorster and Sarah Nicholls who did a great job again under unique circumstances.

I would like to give a special thank you to Rachel who this season steps down after 3 years as secretary and I can say quite confidently that no previous secretary of the MCC the past 140 odd years has gone through a harder last 2 years with the Covid issues. I can't thank you enough for your commitment and dedication to ensure that the last 2 seasons have happened relatively incident free.

A special thank you to facilities manager Jamie Frencham who already did an amazing job but with Covid his role increased dramatically and you did an outstanding job at our 3 senior grounds.

A massive thank you to Aaron Martello whose role, influence and standing in this club is quite unique and the Peter Hess Best Clubman award is richly deserved.

Well done to Gerry Barden and the juniors who had another successful season with both the U14 sides winning their grand finals in exciting fashion and the U12's making the finals. We also saw a number of juniors playing in various senior grades and the future of the MCC looks great.

Special thank you to Andy Morris, who in between interstate road trips, still continued to dominate with Andy's Kitchen.

Thank you to club historian, Phill Burton for his weekly dedication to preserving our club history.

Special congratulations to AFL draftees, Finn Callaghan and Blake Howes. We look forward to watching your long and successful AFL careers.

Congrats to all trophy winners - well done.

In closing, I would like to thank all the players that represented Mordi this season in all grades in this hopefully last Covid affected season, your co-operation and support of the club this season has been fantastic. I look forward to our continued development and success both on and off the field and I will continue to work hard to ensure that we are successful in the future in all grades we compete in and together we are setting the foundations for an amazing future for Mordi CC.

I'm proud and humbled to be President of this amazing club and as a good friend of mine said -  
**I DID IT MY WAY!**

Cheers

Rev

## Mordialloc CC Secretary's Report 2021/22

The last few seasons have seen the Mordialloc Cricket Club successfully manage a number of firsts - 2019/20 was the first season we didn't receive funding from Mordy HQ, 2020/2021 was the first Covid affected season and 2021/2022 saw MCC take the mantle for the first club in CSB (and possibly Victoria) to report and manage a positive Covid case at a club. As a club we have been able to manage all of these situations and not only prosper financially but we have set the standards for other clubs to follow. We are the club that other clubs talk about, take ideas from and want to be both on and off the field and that is all because of the people we have here.

A big thank you to Rev for everything that you do, so much of which people have no idea that you even do. Thank you for your ongoing support to me in my role as secretary and getting me through 2 huge Covid seasons. Jamie Frencham - you are a legend, no amount of words can even come close to thanking you for everything you do. Kobe - thank you for stepping up this season and lightening my load. You are doing an amazing job and are a huge asset to the committee. You are also paving the way and setting an example that will hopefully see other young guys get more involved in the years to come.

Thank you to Andy for talking me into becoming the club secretary 3 years ago but the time has come for me to step down. Being a part of the committee has at times been a lot of hard work but the rewards have far outweighed the effort - I am so proud to have been a part of what makes this club great. To all those that are yet to play their part, don't sit back and let others do all the work, get involved and give a little something back to the club that gives it's all for you.

Rachel

## Mordialloc CC Treasurer's Report 2021/22

After a successful 2020/21 season through all the Covid restrictions and limitations, we were set up for a good start to the 2021/22 season but we were wary of the limitations that any Covid restrictions could pose again. The start of the season was again hampered with Covid restrictions, density limits and some functions had to be cancelled which hampered the fundraising abilities by the club, including any Bunnings BBQ's.

Notwithstanding the limitations of the season, we had another 78 registrations raising just under \$10,000 for membership fees which is an excellent result for the year. Similar to last year, it was decided to keep membership fees the same and have junior Redbacks play for the seniors at no cost.

Andy's Kitchen was a great success again with Thursday, Friday and Saturday meals and we would like to thank Andy and Rachel for running this each week and the effort they have put in over the last season.

The biggest source of revenue for the season was sponsorship income. From these great supporters of the club during the 2021/22 season we managed to secure \$22,750 from external sponsors: Bendigo Bank, Kwickaz Transport, ATS Timber Supplies, More Building Group, MF Freight, Complete Plumbing, DJM Building Group, Co Working Solutions, Fido Projects, JRB Tiling and Titan Cricket.

The 2021/22 season was again a difficult season and with reduced sponsorship, limitations on functions and fundraising activities, the Mordialloc Cricket Club is still in a strong position to move into the 2022/23 season where we are hoping for an uninterrupted season and a tilt at a few premierships.

Thanks again to all the volunteers that made the season possible.

Jaco Vorster

# Mordialloc CC Coach's Report 2021/22

Joining Mordialloc Cricket Club for season 2021/2022 in my first senior coaching role was exciting and a little nerve racking. I did not know what to expect but what I did know was that Mordialloc was a very well run club that has had much on field success.

First port of call was to get a rapport with the players and get some system and structure into pre-season training so we were ready for Round 1. The playing group were very receptive to training and turned up in large numbers which made coaching hectic but very enjoyable. As the season went on, teams were winning and players were developing. I knew that my decision to come to Mordialloc was the correct one.

To have 4 teams make finals, 1 team in a Prelim, 1 Grand Finalist and 1 Premier, exceeded my expectations. I am very proud of the whole playing group for their efforts this year. There is still a lot more room for improvement and development next year and beyond, but one thing I do know is that Mordialloc is a Championship Club and have the talent to remain a Championship Club.

I would firstly like to thank Aaron and Rev for believing in me and giving me the opportunity this year. Special thank you to Frenchy "absolute legend," for preparing training and match days like I have never seen before. Mordialloc are lucky to have you. Thank you to Rachel, Sarah and the rest of the committee and thank you to Andy for ensuring I need to go back to the gym in the off season.

Thank you to Captains and Vice Captains for leading the teams proudly and making the selection process easy each week. Lastly but certainly not least, the playing group who turned up each week for training and match days wanting to give their best for Mordialloc.

Mordialloc has had a very strong year - bigger and better in 2022/2023.

Regards

Tim Woodruff  
Senior Coach

# Mordialloc CC 1<sup>st</sup> XI Captain's Report 2021/22

Well that's another cricket season done and dusted, but what a year it was back in Championship grade.

In what was another Covid affected season, we took on the challenge of moving up a grade and again playing one day cricket. With the loss of a few long time Mordi cricketers, many people across the competition tipped us to struggle through the season and get relegated. I am proud to say that every player who played in the ones this year gave 100 percent and not only did we not get relegated but we successfully played finals, having a good win in the semi-final. We were eventually knocked out in the preliminary final by last year's premiers and the top side in the competition.

Throughout the year we had 7 players who made their debut in the Mordialloc ones. Two of our recruits, AK and Chamindu both had a significant impact on not only the club but the league and I look forward to seeing what they can do next season. Another new recruit was Shak. We had a raft of younger players come into the side and it was really good to see. Well done to Jordan, Aidan, Flynn and Frenchy - you all should be proud of your efforts and everyone at the club looks forward to your futures.

Our season consisted of some ups and downs but as mentioned it was a great effort to make finals. We started the season with a really good win over Hampton but then we went on to have 2 losses. We then reeled off 4 consecutive wins to put us in a good spot just after Christmas. We then had 5 losses in a row leaving us needing to win the last game of the season to play finals. We subsequently went on to beat Beaumaris to make it. The semi-final was a highlight game for us. Playing Benteigh at Benteigh was a tough test which we stood up to and moved on.

Some of the highlights for the year were: Chamindu's 2 hundreds against Hampton and Bonbeach, Inzi's 53 not out to get us home against Murrumbeena, AK's 71 and 4fa against Carnegie and Inzi's 6fa in the semi-final.

In the batting department, Chamindu had a standout year making 486 runs, AK 382 runs and it was good to have Ryan back in form making 247 runs for the year.

Bowling wise, Inzi finished the season with 22 wickets, AK 21 and Motty claimed 16 wickets.

I would like to thank Rev and all his committee members for all of their time and effort throughout the season. Also special thanks to Andy for the meals on a Thursday night and most importantly the lunches on a Saturday.

I would also like to thank all the players who I played with this season, although we are playing a game we love, players give up plenty of time to make this happen and it was a very enjoyable season. Thanks to Tim for his coaching every week, he has fit in perfectly at Mordialloc and thanks to Motty for all his efforts as VC. Thanks to Nifty for again scoring every week.

Lastly, congratulations to Richo and the 2nds on making the finals, Scotty and the 3rds on making the Grand Final and well done to Bairdy and the 5ths on winning the flag.

Hopefully everyone has a safe and enjoyable off season and everyone returns next year.

Go Bloods

Nick C

## Mordialloc CC 2nd XI Captain's Report 2021/22

“Washed out in the finals.” The worst possible way for our season to end. The boys learnt throughout the year how to win the big games. They also learnt how to accept a loss and bounce back the next week. The one thing we couldn't control was the weather. To lose this way was a real shame because of the huge efforts we had all put in during the year.

I accepted the captaincy with some important targets. They were to:

1. Play the game hard and be respected.
2. Develop the younger players with both bat, ball and in the field; and
3. Enjoy the game, have fun with your mates and learn from your mistakes.

We all achieved all of these targets. This is something the whole 2nds squad should be very proud of because the club is very proud of you.

My highlight of the season was Round 6, the last game before Christmas verses Heatherton. Not only did we chase down 203 against the top team from the second last ball, but we also saw these young names Flynn McKenzie, Liam Bowles, Nat Petty, Aidan Morris, Hunter Woodruff and my old mate Azza Mar, all stars in winning the game. It was honestly up there as one of the best wins I have ever been a part of. From then it changed our season and we marched on to finish 4<sup>th</sup>.

Another proud moment was the 83 run partnership between Kai Day and Mitch Hart. Young Kai really showed us how good he is with an innings saving 61 runs.

I would like to thank my old sparing partners Azza and Leo for assisting me with the captaincy this year. Also other senior players, Dan Frencham, Dan O'Keefe, Dan Haycroft and Shaun Jamieson for understanding the roles they played at times during the year. This made sure our young starts got the opportunity to perform up to the best of their ability.

I thoroughly enjoyed leading the 2nds of Mordialloc this year. A year full of individual development and team success. The winter months will be here and gone before we know it, I then look forward to seeing you all next season in the red and white.

Yours truly

Richo

# Mordialloc CC 3rd XI Captain's Report 2021/22

So close, yet so far!

Season 21/22 was another frustrating year for the 3rds. With wash outs and abandoned matches, we actually only played 7 out of 14 rounds which made it very hard to gain any momentum or team stability, particularly pre Christmas.

We welcomed another group of juniors with Riley Bowles, Lucas Smith, Jethro Cox and Patrick Otten all starting their turf careers this year and I'm excited to see you guys develop over the next few years.

We finished the home and away season with 5 wins and 2 losses and as it turned out, the 2 losses were to the 2 teams we were to play in the finals - Parkdale and Benteigh. A loss to Benteigh in the last round of the year was a big wake up call. To be dismissed for 52 and lose by 7 wickets showed the level of cricket we would need to rise to during the finals if we were to be taken seriously.

So we finished 2<sup>nd</sup> on the ladder and after our first final was washed out, we played Parkdale in the semi. After a slow steady start we were able to post a defendable total of 7/116 with Dan O'Keefe 28 and Lucas Smith with a match winning 34 off around 20 balls. 3 wickets each to Nisal Jayasinghe and Pat Heenan and the brilliant figures from Dave Edmunds of 7 overs 2/5, gave us the win by 31 runs.

To play Benteigh in the Grand Final after the smashing we received from them a few weeks prior meant we had to regroup and focus on a game plan that would put pressure back on them deep into the game. The plan almost worked. Again like the semi, it was a slow but steady start to our batting, being 2/36 at the drinks break. But we had the wickets in the bank and were able to finish our 35 overs at 8/115. Again, some big late hitting from Lucas Smith with 33. We were always probably 20 runs short but like the semi final it was a defendable total. We were able to pick up steady wickets along the way with Dan O'Keefe taking 3 wickets and Pat Heenan 2. The last half an hour of the game was probably the tensest cricket I have ever been a part of. To be honest, the game could have gone either way and I am so proud of the way we fought it out, but a wise man once said - "that's cricket."

I want to thank everyone that was a part of this team - I truly love playing in this team. To be able to play in a team environment that brings all sorts of people together, different ages and backgrounds and blend them into a competitive team. A team that has some fun along the way has always been my goal. I hope I've done that again this season.

Thank you to everyone around the club who helps out. Whether you are a big cog or a small cog, it all helps the Mordialloc Cricket Club machine turn. Some big cogs who need a special mention. Rev - your hours and hours of dedication to this place is incredible. The "poet plumber" Jamie Frencham - hours of behind the scene things to make sure everyone is looked after and the grounds and rooms are immaculate. To Rachel and Andy Morris, again, countless hours to make sure we can play a simple game of cricket.

Thank you

Scott Heenan

## Mordialloc CC 4th XI Captain's Report 2021/22

Season 2022 saw the last year's 5ths step up to the 4ths to provide a clearer pathway to develop the younger talent into senior cricket. Along with that came a jump up two grades into I grade cricket. With the momentum the team had developed at the end of season 2021, we were hoping this would help grow the boys confidence levels to make the jump up and importantly be competitive.

This season saw 35 players rotated through the team with some experienced players returning to cricket after long breaks and a host of juniors making the step up to senior cricket.

In round 2, we saw Jethro Cox make his senior debut against CUCC Kings that will forever be known as the infamous "tiegate." Jethro was rock solid scoring 22 on debut and later in the season was elevated to the 3rds and having a strong first year with the senior club.

We also saw Jarvis Barr come up from the U14's - he also had a ripper debut against East Benteigh Central taking 2/23 and bamboozling the opposition with his wrist spin. In addition we saw Max Calvez and Zane Schultz also come up from the 14's and Cooper Bowles from the 12's who has now followed in his two brother's footsteps and has made his first senior appearance (it needs to be pointed out, at an earlier age than his brothers). All these boys contributed to a fantastic run chase in our last game of the year against Chelt Park with our highest total of 200 runs - a really strong finish to the season with our most inexperienced team.

We certainly ticked the box with the younger boys stepping up with Lucas Smith and Riley Bowles playing over half of the season also with Scotty and also Pat Otten making his 3rds debut as well. These boys deserved the step up with Lucas and Riley making it all the way to the 3rds grand final. We also had Harvey Dow knocking on the door as well, more than doubling his wickets tally this season v last and developing pace and consistency in his bowling.

From our initial squad, we saw Owen Moffat, Kyle Patterson, Connor Jamieson and Dave Edmunds all play with Scotty in the 3rds for considerable periods of time, especially in the 2nd half of the season. A big thanks to Connor who stepped up as skipper while I was sitting on the sidelines for a month, he led the team very well.

We welcomed back Andrew Ormes to cricket after 10+ years. He bowled with serious heat, picking up 11 wickets and scoring 159 runs with the bat, giving the team some additional experience and stability we were searching for. We also welcomed back Scott McGeachin after a long break. He provided us with some stability at the top of the order and also another strong keeping option and clearly taking catch of the year. We also were fortunate to have BA Roberts for most of the year who hit some serious form through the season, topping the run scoring with three scores over 50+, a top score of 87 and a score of 75 in an opening stand of 126 in a great run chase in the last game of the season. We also say Monty Beecroft Junior more than double his season's run tally v the year prior.

When you reflect on the season, we had the same number of wins as the season prior but to me these were more quality wins having to step up two grades. We scored over 100+ runs in 11 of 12 games vs. 7 of 10 games the season prior and we hit 150+ runs in 7 games this year vs. only 3 the prior year. From a bowling perspective we couldn't bowl a team out last season and we did it three times this season. This allowed us to be very competitive in a lot of the games we played which really helped the team's confidence in how we approached every game.

Quick shout out to Monty Senior who, without notice, kept for us in the last game of the year and then proceeded to give his batting spot up to Cooper to have his first hit in senior cricket. Thanks Senior!

Thanks to the boys in the 3rds and the 5ths who were privileged to play a game or two with the 4ths this year. Also thanks to Nick Cox who in the role as unofficial Team Manager, provided shade, ice, drinks etc to the boys when we really needed it.

Lastly to Jamie Frencham who, as we know, works tirelessly to make sure every detail is covered every week to make sure we can focus on playing. Trying to make Doug Denyer look good is like putting lipstick on a pig but somehow you bloody do it. You always send a message after every game checking in on us and you have a high care factor for the juniors, asking at every opportunity how they are going and this does not go unnoticed by any of us. Thanks again mate.

Go Bloods

Dale

# Mordialloc CC 5th XI Captain's Report 2021/2022

What a season! Our club's first senior SECA flag after 3 years of being in the competition and hopefully many more to come.

Definitely my most enjoyed season as a player and captain. A fairytale year with Nooka's 550<sup>th</sup> and Stroudy's 300<sup>th</sup> game. To also go undefeated in a whole season then win the grand final shows how hard our team worked throughout the year.

Nothing comes easy in finals and after being 7/73 in a semi to come back to win by 44 runs shows that when our backs were up against the wall we were always prepared to fight back.

New player Rod Richards was a stand-out this season contributing 359 runs @ 59.60, opening the batting also winning the league batting average and 11 dismissals with the gloves. The return of the "Big Show" Matty Bonner dominated at the number 3 and also finished 3<sup>rd</sup> in the league batting average.

Our grand final side was simply flawless. Kyle Frencham opening the batting (avg @ 97.50), Tommy Long at 4, would have been disappointed in himself with his final series but had a great season with the bat and ball none the less. We had the ultimate all rounder, Carro at 5 who was vital in both finals in all aspects of the game. We welcomed brothers Matty and Josh Bourke back to the club. Josh getting a 5fa in his first game back. Matty's solid knock in the semi won't be forgotten. We had Big Jackson Dailey getting the best bat out in the semi and grand final for 6 and 1. Jacko didn't have one bad game all season - he was simply brilliant. Stroudy had to take one for the team this final series. A selfless act, putting the team in front of himself. Congratulations to you for your 300 games for the club and another grand final win. I'm glad I got Ben Campbell out of retirement. Anyone who has ever played with Benny knows what a workhorse he is and has a never give up attitude. We were 7/73 in the semi and he came out and smashed a 39 that got us to 136 then got a 2fa with the ball. Then having 2 wickets in his first 2 overs in the granny really put us in the driver's seat. I'd also like to mention that Benny has now won a 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> XI premierships. Tremendous effort. Leaves me to Nooka. After getting a few surgeries in the off season, I was unsure if he would have got to his 550<sup>th</sup> but he did. Nook had a good year with the ball with 15 wickets @ 15.13. The legend of Mordialloc now has 15 premierships to his name. Congratulations on your 550<sup>th</sup> and another flag. Unfortunately there's always the hard luck stories when you win a grand final. First Max Calvez who is a really special talent. Opening the bowling at 13 years old in your first season of senior cricket really shows how talented you are. Good fielder and handy with the bat - a star in the making. His father Gael. "Chris Gael" opened the batting for the first time ever this season and made his highest score against his old club. You were both great contributors to our side this season.

We had 26 different players play with us this season and I'd like to thank you all for playing or filling in. I'd like to thank Jamie Frencham for all his tireless and selfless help this season. A lot of people don't know the mountain of work you do behind the scenes to help me out every home game and in the finals. I'm glad to share the success with you this season you legend!

What a year it was. To come up against a side who was also undefeated in the grand final and beat them by 62 runs, shows that we were the champion team this season. Thanks to the club and everyone involved behind the scenes.

Go Bloods

## Mordialloc Junior Cricket Club (Redbacks) Season 2021/22

Season 2021/22 was a late start again due to Covid, however there was hope that we would have a smoother run than we did in the previous season.

In the off season, we planned meticulously as a committee to advance our club by formulating a girl's cricket team. Led by the amazing "people" person, Dave Kinsella, this went off without a problem and we entered an Under 13 team in the All Girls Cricket Competition (AGCC). Credit to Dave and his team of parents and players to achieve such stunning results in our first season.

In our junior boys section we had the following teams entered:

- 1x Master Blaster team
- 2x Rookies teams
- Under 12C team
- Under 12 Premier team
- Under 14B team
- Under 14C team
- Under 16B team

We had three teams make finals appearances with the 12C's, 14C's and 14B's. We were fortunate enough to also have two teams win premierships, being the 14B's and 14C's.

Thanks to our coaching co-ordinator Mike Goldsmith for his efforts throughout the year.

Thanks to all coaches, volunteers and especially scorers who make coaches jobs easy.

Another big thanks to Ian Daniel who would check in regularly and provide feedback on our junior players and assist with technical problems. Not bad considering he lives in Sri Lanka!

I would like to acknowledge our major sponsor, Bendigo Bank (Parkdale), both Anna and Rob have been fantastic in their support of our junior club.

Mat Campbell for his ongoing support of our junior club, via sponsorship and mentoring.

Rev for always assisting with juniors and supporting them at every available opportunity.

Richard "Dickie" William's family for their support of our junior club, via scholarship award.

Phill Burton for his fantastic work behind the scenes in keeping meticulous historical records. Well done Phill.

Looking forward to seeing you all on our presentation evening on the 8<sup>th</sup> of April 2022 at Doug Denyer.

Thanks

Gerry Barden
