

Dear Lance,

I read the sad news today about Ricky Hart and while we did not know Ricky we do have some appreciation of what his family, his team mates and your club are going through right now.

Recently, we experienced a similar death of our immediate past president who was doing what he loved – playing cricket when he suffered a massive heart attack while batting – playing 5th grade.

On behalf of the Tuggeranong Cricket Club and the wider cricket family in Canberra please accept our deepest sympathies and it would be much appreciated if you could pass these on also to his family and club mates.

Best regards

Bob Weight

President
